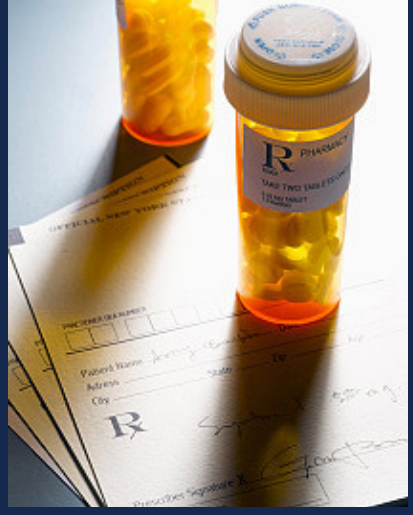
Prescription Diversion Summit

Saturday, June 7, 2014 | 8:00 AM - 12:40 PM
Warren Alpert Medical School
222 Richmond Street | Providence, RI



Jointly Provided By

BROWN Alpert Medical School

Rhode Island Department of Health

In Partnership With

The University of Rhode Island College of Pharmacy

Department of Justice

U.S. Department of Justice Drug Enforcement Administration

Rhode Island Medical Society 1812

Program Description

This multidisciplinary program presented by local experts, will provide practitioners with critical insights into the scope of the problem of prescription drug diversion and abuse in Rhode Island. Critical tools and strategies available to address abuse from the exam room to the emergency room to the counter of the neighborhood pharmacy will be presented.

Target Audience

Physicians, Pharmacists, Physician Assistants, Advanced Practice Nurse Practitioners, and Other Healthcare Providers

Learning Objectives

At the conclusion of this activity, participants should be able to:

1. Describe the scope of the prescription drug abuse and diversion problem in Rhode Island;
2. Explain Rhode Island's Prescription Monitoring Program (PMP) use to date and barriers to adoption;
3. Discuss how the PMP can be used to assess treatment, coordinate care and detect a problem;
4. Evaluate patient risks and apply strategies to prevent prescription drug abuse and diversion.
