Neurology Update 2016
Dementia and Multiple Sclerosis

Saturday, November 12, 2016
Warren Alpert Medical School of Brown University
Providence, RI

Jointly Provided By
In Collaboration With
Program Description
The anticipated growth of the older segment of the population will lead to a significant expansion of those affected by dementia. This will continue to create a greater need for parallel expansion of care provision by primary care and relevant specialists (e.g. neurology, psychiatry, neuropsychology) for this group of patients. This update will help prepare care providers to meet this growing need.

Separately, there has been a rapid evolution in available treatments for Multiple Sclerosis (MS) and allied demyelinating diseases. Patients with MS have common co-morbidities, many of which will be brought forward to primary care providers and relevant specialists. This program will help address those new diagnostic entities and treatments for MS and allied disorders, and thereby help prepare providers to assist in the management of this complex and debilitating set of illnesses.

To address these knowledge gaps in Dementia and in Multiple Sclerosis, the program entails a set of lectures provided by experts in these topics and sample case presentations to help illustrate the material covered. It is hoped that attendees will leave this CME update with a more cogent understanding of the latest advances within both Dementia and MS, and strategies in hand to comfortably approach these patients from the point of view of diagnosis and treatment.

Learning Objectives
At the conclusion of this activity, participants should be able to:
• Describe and apply up-to-date strategies for diagnosis and management of dementia, including cognitive and behavioral consequences
• Describe the advances occurring in diagnosis and management of multiple sclerosis and allied disorders

Who Should Attend
Physicians specializing in adult primary care, internal medicine, and psychiatry. Geriatricians, physician assistants, nurses, and nurse practitioners are also welcome.

Competencies Areas
ABMS:
Patient Care & Procedural Skills
Medical Knowledge
Practice-Based Learning and Improvement
Professionalism
Systems-Based Practice

IOM:
Provide Patient-Centered Care
Work in Interdisciplinary Teams
Employ Evidence-Based Practice
Apply Quality Improvement

Saturday, November 12, 2016

7:00–8:00 AM    Registration & Breakfast

8:00–8:10       Welcome & Introduction
                Andrew S. Blum, MD, PhD

8:10–8:40       Diagnosis Across the Spectrum of AD: Preclinical, MCI, and Dementia
                Stephen P. Salloway, MD, MS

8:40–9:10       Treatment of MCI and Dementia
                Brian R. Ott, MD

9:10–9:40       Management of Mood and Behavioral Problems in MCI and Dementia
                Jeffrey Burock, MD

9:40–10:10      Panel Discussion, Case Presentations and Question & Answer
                Moderated by Geoffrey Tremont, PhD

10:10–10:30     Break and Visit Exhibitors

10:30–11:00     Top Ten Issues Primary Care Should Know About MS: 1–5
                Syed A. Rizvi, MD

11:00–11:30     Top Ten Issues Primary Care Should Know About MS: 6–10
                Jonathan F. Cahill, MD

11:30–12:00     Panel Discussion, Case Presentations and Question & Answer
                Moderated by Andrew S. Blum, MD, PhD

12:00 PM        Adjourn

Planning Committee
Andrew S. Blum, MD, PhD
Course Director

Karen L. Furie, MD, MPH
Chair of Neurology

Paul George, MD
Associate Professor of Family Medicine

Brian R. Ott, MD
Director, Alzheimer's Disease and Memory Disorders Center

Syed A. Rizvi, MD
Director, Rhode Island Hospital MS Centre

Maria Sullivan, BS
Director, Continuing Medical Education
Course Director

Andrew S. Blum, MD, PhD
Professor of Neurology | Warren Alpert Medical School of Brown University
Deputy Chief of Neurology
Director, Adult Epilepsy, EEG Laboratory, and Comprehensive Epilepsy Program
Rhode Island Hospital | Providence, RI

Faculty

Jeffrey M. Burock, MD
Clinical Assistant Professor of Psychiatry and Human Behavior
Warren Alpert Medical School
Division Director, Department of Psychiatry
The Miriam Hospital | Providence, RI
