

Maternal & Child Health Collaborative Office Rounds (COR)

a series of monthly meetings for the primary care community of Washington County

Transgender Youth

Tuesday, October 2nd 2018 | 7:30 - 8:45 AM

Attend Via Live Webcast or in Person at Nardone Conference Center, Westerly Hospital | Westerly, RI

Faculty:

Aude Henin PhD

Co-Director, Child Cognitive-Behavioral Therapy Program,
Department of Psychiatry
Massachusetts General Hospital | Boston, MA

Assistant Professor, Department of Psychology
Harvard Medical School | Boston, MA

Program Description:

Many healthcare providers are unfamiliar with best practices for working with transgender youth and their families.

The goal of this presentation is to familiarize attendees with current terminology, conceptualizations of the needs of transgender youth and their families, and best practices for working with this population.

Learning Objectives: *At the conclusion of this session, attendees should be able to:*

1. Identify appropriate terminology when working with transgender youth
2. Recognize the specific needs and challenges of transgender youth
3. Implement best practices that are culturally sensitive to transgender youth and their families

Target Audience:

Physicians, Psychologists, Physician Assistants, Nurse Practitioners and Nurses specializing in Primary Care and Pediatrics.

Accreditation:

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the Warren Alpert Medical School of Brown University and South County Healthy Bodies, Healthy Minds. The Warren Alpert Medical School is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit Designation

Physicians: The Warren Alpert Medical School designates this live activity for a maximum of 1.25 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Psychologists: The Warren Alpert Medical School of Brown University is approved by the RI Psychological Association to offer continuing education for psychologists. The Alpert Medical School maintains responsibility for the program. This activity is approved for 1.25 Category 1 CE Credits. Credits available to RI licensed psychologists only.

Parking: Complimentary Parking is available on-site.

Register Online at: Brown.edu/cme

There is no fee to attend COR sessions, but registration is required.

Attendees have the option of attending the live session at Thundermist or viewing the live online webcast.

Jointly Provided By:

In Collaboration with:

Maternal & Child Health Collaborative Office Rounds (COR)

a series of monthly meetings for the primary care community of Washington County

2018 - 2019 Series

The overarching goal of the **Maternal & Child Health Collaborative Office Round (COR)** series is to improve pediatric and adolescent health in the region and increase the capacity of primary care providers to accurately diagnose and treat developmental and behavioral health issues. COR will strive to ensure that physicians have a greater understanding of child development, behavioral and mental health issues and the resources available to them.

COR Objectives are:

1. To increase primary care providers' usage of culturally competent, evidence-based and family-centered community resources.
2. To increase participant knowledge about how to handle mental, developmental and behavioral health issues within their practices.
3. To increase participants' relationships with providers of other specialties, thus enhancing referral capabilities, effectiveness of therapies and community knowledge.

Locations:

Each session will be held live at either:

Thundermist Health Center

1 River Street, Wakefield, RI 02879

Westerly Hospital

25 Wells Street, Westerly, RI 02891

If you are unable to attend a session in person, an online webcast option is available.
