

Clerkship Scheduling Timetable

To access Oasis, go to <https://oasis.bms.brown.edu>. Your username and password are the first initial of your first name, followed by your entire last name - all lowercase; no spaces in between

- You may re-order your preference lists as often as you like before the deadlines arrive
- Scheduled vacation times between quarters are reflected on the grids
- Please mark the deadlines for ranking your grid preference (2/11 at 12 noon) and location preference for IM and Psych (2/17 at 12 noon) on your calendar. No exceptions will be made for anyone who misses these deadlines
- We recommend that you print your list so you have a documented copy of what you have entered
