Welcome to Hasbro Children’s Hospital in conjunction with University Surgical Associates, Inc.

Pediatric Trauma Symposium: Changing Trends in Trauma Care

November 13, 2014
Current guidelines state that participants in CE activities should be made aware of any affiliation or financial interest that may affect those involved with content development or presentation. This information is used to: (1) determine whether a conflict exists, (2) resolve the conflict by initiating a content validation process, and (3) advise learners of this information.

The following Pediatric Trauma Symposium planning committee members have no financial relationships with commercial interest to disclose:

Hale Wills, M.D., Chairman, Pediatric Trauma Symposium Planning Committee
Charlene Draeau, M.S.N., C.P.E.N., Nurse Program Planner
Patti Carreiro, R.N.                  Dina Morrissey, M.D., M.P.H.
Susan Day, M.D.                     Brooke Lemme, PA-C
Ann George, R.N., T.P.M.            Francois Luks, M.D.
Amy Goldberg, M.D.                  Frank Overly, M.D.

All speakers have agreed to: Teach to the competencies identified by objectives; Deliver balanced and objective evidence-based content; Present the source and type or level of evidence; Disclose all related financial relationships.

The following speakers have no financial relationships with commercial interest to disclose:

Siraj Amanullah, M.D., M.P.H.        Rebecca Moles, M.D.
Amy Goldberg, M.D.                   Mariann Nocera, M.D.
Joseph Hartwich, M.D.                Matthew Willis, M.D., M.P.H.
Thaddeus Herliczek, M.D., M.S.      Hale Wills, M.D., M.S.
Hasbro Children’s Hospital is now an American College of Surgeon’s Level 1 Pediatric Trauma Center
What does it mean to be an ACS Level 1 Pediatric Trauma Center?

• Annual Pediatric trauma admissions of at least 200 children under the age of 15 years
• Trauma triage criteria including separate category for the most severely injured patients
• Attending trauma surgeon presence within 15 minutes for the most severely injured patients
• Concurrent Performance Improvement Feedback program
• Multidisciplinary specialty liaison panel
• Trauma registry to drive performance improvement process, research, and injury prevention initiatives
• On going trauma education for medical personnel
Special Note of Thanks

On behalf of the Hasbro Children’s Hospital Pediatric Trauma Program, thank you to all our attendees!

We appreciate your continuing support of pediatric trauma education.

Enjoy the event!
