Opioid Overdose Prevention and Intervention Practices for Office Based Practitioners: Safe Opioid Prescribing Practice and Office Based Treatment of Opioid Use Disorders

Saturday, September 10, 2016
Warren Alpert Medical School of Brown University

7:00-8:00 AM  Registration and Breakfast  12:50-1:20  Small Group/Case Discussions

8:00-8:45  Overview: Addressing Pain/Screening and Recognizing Addiction | Opioid Dependence and Its Treatment | The Drug Addiction Treatment Act of 2000
Elinore McCance-Katz, MD, PhD
Chief Medical Officer, Rhode Island Department of Behavioral Health, Developmental Disabilities, and Hospitals
1:20-2:10

8:45-9:30  Good Prescribing Practices | Using the New & Improved Rhode Island (RI) Prescription Monitoring Program | RI Controlled Substance Regulations for Prescribers
James V. McDonald, MD, MPH
Chief Administrative Officer
Board of Medical Licensure and Discipline
2:10-2:55

9:30-10:30  Medication Assisted Treatment and Evidence-Based Counseling for Opioid Use Disorders
Kevin Baill, MD
Clinical Assistant Professor of Psychiatry and Human Behavior
Warren Alpert Medical School Butler Hospital
4:10-4:20

10:30-10:40  Break

10:40-11:40  General Opioid Pharmacology & Pharmacology of Buprenorphine/Safety and Efficacy of Buprenorphine
Peter D. Friedmann, MD, MPH
Associate Dean for Research
University of Massachusetts Medical School (UMMS) – Baystate
4:50-5:20

11:40-12:20 PM  Patient Assessment and Selection
Laura Levine, MD
Director, Opioid Treatment Programs
Providence Veterans Administration Medical Center
5:20-5:30 PM

12:20-12:50  Clinical Use of Buprenorphine: Induction, Stabilization, Maintenance, & Withdrawal
Elinore McCance-Katz, MD, PhD

This offering is eligible for 2018 Physicians Professional Education Program discount for license renewal. Learn More.
Program Description
Rhode Island and the Nation are experiencing an epidemic of opioid overdose and deaths as well as spiraling opioid addiction. It is now possible for qualified physicians to prescribe FDA-approved medications to treat opioid use disorder from office-based practices. This will greatly increase the access to treatment for opioid use disorder in affected individuals. This day long (8 hour) course sponsored by the American Academy of Addiction Psychiatry will provide the training required by the Drug Abuse Treatment Act of 2000 for office-based treatment of opioid use disorder. Physicians completing this course will be eligible for the necessary waiver to prescribe buprenorphine/naloxone in the treatment of opioid use disorder. Other healthcare providers attending will learn about this treatment & be a source of critically needed support of this practice.

The American Academy of Addiction Psychiatry is approved by the Drug Abuse Treatment Act of 2000 (DATA) to provide the required eight-hour training that qualifies physicians for the waiver to prescribe Buprenorphine for treating opioid use disorders.

Who Should Attend
Physicians, Psychiatrists, Physician Assistants, APRNs, Nurses, Counselors, Pharmacists, and Allied Healthcare Professionals who may provide services to those receiving office-based treatment for opioid use disorder.

Educational Objective
To provide specific information on safe use of opioid medications including overdose prevention, the pharmacology and clinical use of buprenorphine, and resources needed to set up office-based treatment of opioid dependence.

Course Directors and Planning Committee
Elinore McCance-Katz, MD, PhD
Chief Medical Officer, Rhode Island Department of Behavioral Health, Developmental Disabilities, and Hospitals | Providence, RI

James V. McDonald, MD, MPH
Chief Administrative Officer, Board of Medical Licensure & Discipline Rhode Island Department of Health | Providence, RI

Kathryn Cates-Wessel
Executive Director American Academy of Addiction Psychiatry | East Providence, RI

Maria Sullivan, BS
Director, Continuing Medical Education Warren Alpert Medical School, Brown University | Providence, RI

Registration Fees:
Includes: breakfast, breaks, lunch, and on-site parking.
$50.00 Medical/Health Professionals
$25.00 Residents
Waived 3rd / 4th Year Medical Students—Contact CME for Further Information on Registering

Please notify the Brown CME Office in writing at least two weeks prior to the conference to request reasonable accommodations.

Accreditation
This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the Warren Alpert Medical School of Brown University and the American Academy of Addiction Psychiatry. The Warren Alpert Medical School of Brown University is accredited by the ACCME to provide continuing medical education for physicians.

Credit Designation
Physicians: The Warren Alpert Medical School of Brown University designates this live activity for a maximum of 8.5 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
Rhode Island Specific: This program qualifies for 8.5 hours CME Credit in Risk Management and Opioid Pain Management/Chronic Pain Management, two of the required areas of section 6.0; 6.2.1 RI CME re-licensure requirements.

AAFP: This Live activity, Opioid Overdose Prevention and Intervention Practices for Office Based Practitioners; Safe Opioid Prescribing Practices and Office Based Treatment of Opioid Use Disorders, with a beginning date of 09/10/2016, has been reviewed and is acceptable for up to 8.5 Elective credit(s) by the American Academy of Family Physicians. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Other Allied Health Professionals: Participants will receive a Certificate of Attendance stating this program is designated for 8.5 hours AMA PRA Category 1 Credits™. This credit is accepted by the AANP, AAPA, and RI Pharmacy re-licensure Board.
Social Workers: This activity has been approved by the NASW, Rhode Island for 8.5 CE’s, Authorization #: RI-6427, valid until 4/30/17.

Conference Location and Parking
Warren Alpert Medical School of Brown University
222 Richmond Street, Providence, RI 02912
Parking will be available in the parking garage adjacent to the Medical Building (333 Eddy St. on Google Maps). Enter through the Eddy or Elm Street entrances and take a ticket from the machine. You may park on any level of the garage and can exit using either the Eddy Street or Elm Street exits.

Cancellation Policy
Cancellations/substitutions must be made in writing to the Brown CME Office at least two weeks prior to the conference, no later than August 31, 2016. A $25.00 administrative fee will be charged for all refunds (no refunds for “no shows”). There will be no additional charge for substitutions. This conference is subject to change or cancellation.

Funding for this course was made possible (in part) by U79TI026556 from SAMHSA. The views expressed in written conference materials or publications and by speakers and moderators do not necessarily reflect the official policies of the Department of Health and Human Services; nor does mention of trade names, commercial practices, or organizations imply endorsement by the U.S. Government.
